SCOPE The *IEEE Control Systems Magazine*, an official publication of the IEEE Control Systems Society, publishes articles that present interesting new results, important insights, or tutorial surveys in all areas of control systems design and applications. Authors are encouraged to submit papers on applications, industrial implementations, design tools, technology reviews, control education, and applied research.

SUBMISSION OF MANUSCRIPTS Complete manuscripts should be submitted electronically as pdf attachments to Editor-in-Chief Dennis Bernstein at dsbaero@umich.edu. (Instructions for submission can be obtained via e-mail from the same address.) Manuscripts should be double-spaced, in concise English, and should not exceed 30 pages excluding figures. Complete submission guidelines are available upon request from the editor and at <http://www.ieeecss.org/PAB/CSM>.
